REPUBLICAN PLATFORM.

The Republicans of Nevada, in convention assembled, reaffirm their unfaltering loyalty to the principles of the party as enunciated in all their National Platforms from Lincoln to Blaine. Union, liberty, equality, and a protective tariff, have largely contributed in making 60,000,000 of people the best fed, the best clothed, the happiest, the most intelligent and powerful that ever existed on earth. The elevation of labor by the abolition of slavery and the utter repudiation of caste and aristocracy by the Republican party has opened to free men and free labor every acre of land within the jurisdicioan of the United States, and tenbled the toiling millions of the Nerth and of the South to associate in one common brotherhood for the protection of their rights and the advance-

material prosperity. 11. We arraign the Democratic Cleveland for having foiled to keep the pledges on which it came into power. It promised economy and retrenchment, and has been most extravagant in expenditures and appropriations, which, for the current year, largely exceed the abundant revenues of the Government. It lishing of Courts of Conciliation, promised to reduce the sur, lus in the Freasury, has permitted such surplus to lie idle and accumulate to the injury of the business of the country, and has refused to approve of the action of a large majority of both Houses of Congress directing that such surplus be applied in payment of the interest-bearing debt of the country. It promised to care for and give attention to the disabled soldiers and sailors of the late war, and has treated with contemptuous veto every pension bill against which it could find any shadow of technical objection. It promised to protect the person and property of citizens both at home and abroad, and to maintain he dignity of the nation, yet in its relations with Grert Britain it has the Democratic party of having shown itself unwilling to give sympathy for the cause of local protection to either person or self-government in Ireland, property, and has permitted our while the Democratic House of flag to be insulted, without Representatives, in Committee thousand million dollars, and proper protest, almost in s ht of the whole, repeatedly refused of our shores, white by hasty and to indorse that principle. We condemn the Democratic House of Representatives for refusing to make the necessary appropriations for the construction of a suitable navy for the defense of our commerce and the protection of our citizens at home and abroad, and we perticularly condemn it for refusing fortifications to protect our extensive sea coast while there was a vast surplus in the Treasury, and thousands of laborers out of employment.
